- AWS
- Three.js

EXPERIENCE

FRONT END DEVELOPER | 11/2024 to 12/2024

Open Source

- I contributed to open-source projects using Next.js, building features, fixing bugs, and optimizing performance with ISR and SSR. I improved UI/UX, enhanced API routes, and optimized images with next/image. Additionally, I wrote documentation, reviewed code, and engaged with the community to support developers and improve project scalability.

FRONT END DEVELOPER | 09/2024 to 12/2024

Open Source

Developed and maintained user-facing web pages using **HTML, CSS, JavaScript, and jQuery**, ensuring responsive and interactive designs. Optimized performance, improved UI/UX, and fixed bugs for seamless user experience. Collaborated with teams to enhance functionality, implement dynamic content, and ensure cross-browser compatibility for high-quality, user-friendly web applications.
